Flag Etiquette

When the National Anthem is played ...
When the Flag passes on a parade or in review ...
When the Flag is hoisted or lowered ...
When the Pledge of Allegiance is recited ...

- Students, participants and spectators should be reminded that when the National Anthem is played, they should stand at attention, face the flag, and place their right hand over their heart.
- The Flag, if visible, is faced and saluted; if not visible, face music and salute; if music is recorded, face front and salute.
- Salute is rendered at first note of music and held until the last note.
- When in civilian attire:
 - Men should remove their hat and hold it at left shoulder with right hand over heart, if they are without a hat they should place their right hand (palm open) over their heart.
 - Women should place their right hand (palm open) over their heart.
- When in performance attire (and not performing) students should face the flag or music, remove their headdress if any and stand at attention.
- When flag is passing in review, a salute is rendered when the flag is six paces from the viewer and held until it has passed six paces beyond.
